## **1500 CLUB**

### **SJEN Radio/ TV Hosts and Guests**

### **and Volunteers**

The roots of SJEN were planted over 35 years ago with the founding of St. Ignatius Retreat Association, in California by Lu Cortese. Retreats, conferences and seminars for parishes were sponsored throughout the US, Canada and the West Indies.

Catholic programs for the evangelization of Catholics and non-Catholics alike have been produced and aired on AM/FM, EWTN, radio affiliates, global shortwave and internet media.

SJEN.TV, Crede Academy, Podcasts and Radio provide over 100 programs which can be accessed through internet and Roku 24/7 on your computer, phone or TV.

Lu Cortese was inspired by Our Lord to reach out and make the truths of our faith more accessible to all, by founding this ministry, first in California then relocating to St. Charles in 2004 where with her background and experience she was encouraged by friends to continue her ministry. With the help of faith-filled volunteers, she opened a studio with radio and TV options, a St. Joe's Java Coffee Shop, a religious goods store and a Speakers Bureau. As a cost cutting measure, this venue has recently relocated and continues to produce programming on site.

In addition to the news segments about SJEN/St. Joseph Radio from California, the ministry has been acknowledged by articles in the *St. Louis Review* (2014), *Legatus Magazine* (2018) and *The Catholic Digest* (2019).

As a ministry run by dedicated volunteers, students and young adults, it continues as a non-profit organization subsidized by gift shop sales and donations. Therefore it is hoped that the recent adventure of the 1500 Club will be successful in bringing much needed funding to the evangelization efforts of this ministry. Called the 1500 Club, it does not seek donations of \$1500, but rather a continual monthly donation of \$5, \$10, or \$15 by people of all ages and walks of life. Ultimately, we trust that the Holy Spirit will touch the heart of 1500 members.

SJEN-St. Joseph Radio/TV is recognized as a 501C3 not for profit organization. Financial support is used to pay rent, heat, cooling, lights, etc., and also to cover equipment costs.

The headquarters now at 1985 Bluestone Dr., Suite 101, in St. Charles, MO 63303 is most blessed by the Archdiocese to have a Blessed Sacrament Chapel. All are welcome to stop by and offer a personal greeting to Our Lord, enjoy a peaceful moment and let us pray for one another that "His Kingdom come" into our hearts and into the world.
