Feast of St. Francis of Assisi

Dear Friends in Christ,

Enclosed please find our newest publication, *Why We Attend the Traditional Mass*.

As a Catholic ministry, we receive many questions about our faith. How wonderful it is that our universal Church offers so many ways to grow closer to Christ! We are grateful to serve as an instrument for sharing our beautiful faith and helping others find answers.

During a weekend retreat, we visited the Abbey of Our Lady of Ephesus in Gower, Missouri, where the body of its foundress, Sister Wilhelmina, has remained remarkably preserved. We attended the Traditional Mass, which was unfamiliar to most of our 50 retreatants.

On the bus ride home, many people had questions about the Mass. When I opened my phone, I discovered that I had just received a Facebook message sharing “Why I Attend the Traditional Mass” by Greg Robeson. I felt that God had provided a timely answer to their questions.

Does your parish offer the Traditional Mass? Are you a Catholic who would like to understand it better? This pamphlet is available to help answer your questions and deepen your appreciation of our Catholic heritage.

To request copies, please contact St. Joseph Radio. (636) 447-6000

In Christ,

Lu Cortese
